Suggested Websites - Mathematics - All Levels

Key Stage	Company	URL	Useful for...	Cost?
EY, KS1, KS2 & KS3	Mathematics Mastery	https://www.mathematics mastery.org/our-response-to-coronavirus-covid-19/	A mastery approach to learning which means students are expected to have a high level of understanding of a particular topic before moving on. Here you can access a range of printables (follow the relevant links) for a mastery approach to numeracy and then other strands of the Maths curriculum.	Free
EY, KS1 & KS2	NRICH	https://nrich.maths.org/	A more investigative approach to learning. The website is for all ages however the tasks for up to KS2 are easy to do at home. Please note, these sorts of activities do require a lot more parent/guardian input.	Free
KS1, KS2 & KS3	Top Marks	https://www.topmarks.co.uk/	A fun and engaging website with a variety of Maths games. Most of these games are tablet friendly. For those who are learning their times tables or need to brush up on them, the game "Hit the button" is very popular.	Free
KS1, KS2, KS3, KS4 & KS5	Mathswatch	https://vle.mathswatch.co.uk/vle/	A video tutorial website with interactive and printable worksheets. Exam questions are also available here. This is a website that many schools subscribe to. It is worth checking to see if your school has a membership.	Available through schools only - login required
KS1, KS2, KS3, KS4 & KS5	10 ticks	https://www.10ticks.co.uk/	An online resource with worksheets on all topics from KS1 to KS5. This is ideal for deliberate practice. A search tool is available on the website for specific topics.	£12.24 per month and offers available for multiple months
KS1, KS2, KS3 &	E-Maths	https://www.emaths.co.uk/	A website containing electronic copies of a variety of exam papers	Free
