

Resources for Holiday Activities

[Scholastic Learn at Home](#)

Provides a variety of educational activities covering different topics for children aged 4-14.

[Lego Play Zone](#)

Provides videos and inspirational ideas for Lego projects. This will keep little builders occupied for hours. To encourage and build cognitive reasoning and problem solving there are a number of interactive games and quizzes.

[National Geographic Kids](#)

Videos with facts and games about every species from prehistoric to almost extinct. Can be used for all age groups.

[Fire Tech Online Hackathons for 9-12 Year Olds](#)

An online hackathon for 9-12 year olds, where students learn how to build their own quiz. The current available dates are 8 and 15 April.

[Fire Tech Online Hackathons for 13-17 Year Olds](#)

An online hackathon for 13-17 year olds, where students learn how to build their own social impact campaign video. The current available dates are 10 and 17 April.

[List of Museums, Zoos, and Theme Parks Offering Virtual Tours](#)

The list includes:

- [Monterey Bay Aquarium](#) - Children will be taken on a field trip to an aquarium in California. Switch on the live cam - there are 10 of them - to experience the aquatic life. This is great for all ages.
- [San Diego Zoo](#) - Similar to the aquarium but this one takes you to San Diego's Safari Park - for all ages
- [Metropolitan Museum of Art](#) - Budding artists who want to know about art from as far back as 80,000 BC to today's modern artists, can log onto this site to explore the New York museum. Suitable for all age groups.
- [Disney Parks](#) - Explore the Disney Parks through a series of 360-degree panoramas.

[FutureLearn](#)

Online learning courses created by universities, business schools and organisations, many of which are suitable for older students.

[Ted Talks](#)

Learn about new topics and ideas through short talks by a range of speakers.

[University of Oxford Podcasts](#)

Podcasts cover public lectures, teaching material, interviews with academics, information about university applications and more
