Aga Khan Education Board (UK)

SCIENCE
MUSEUM

MISSION TO SPACE

THE INTERGALACTIC EXPERIENCE WILL INCLUDE:

- Astronights' sleepover at the world renowned Science Museum
- Space Mission at the National Space Centre
- 'Night under the stars' at Leicester JamatKhana
- Virtual reality experience through the solar system
 - Rocket launching, Planetarium shows, IMAX and much more!
- Interactive STEM careers workshop, Mission X Programme, Space Camp Festival, Integrated Science and Faith session

CONTRIBUTION & TRANSPORTATION:

- £230 (confidential bursaries available)
- Transportation will be provided from London & Regions (based on demand)
- Space explorers must attend both parts for the full experience and to receive the nationally-recognised CREST Award.

HOW TO REGISTER:

Contact: spacecamp@iiuk.org for more information and an application form

Deadline for participants and facilitators:
21 February 2020
